## Holly Jolly Christmas Camp

Christmas at Camp ASCCA is an experience everyone should have at least once. The magic of the season is alive in every corner, with dozens of Christmas trees and thousands of lights covering every inch of the campground. The joy isn't just visible—it's something you can truly feel.

This year, our annual Christmas Weekend took place from December 13-15th. Our campers, families, and staff arrived on Friday afternoon, filled with excitement for the weekend ahead. We kicked off the festivities with Christmas games and a campfire.

Saturday, the fun began to pick up. We transformed the pavilion into a one-of-a-kind Christmas carnival! We even had guest appearances from The Grinch, Santa, and Mrs. Claus! That afternoon, we hosted our 10th annual Jingle Jump! We watched as team after team took the cold plunge into the Camp ASCCA pool. This event raised \$73,000 for our Campership Fund and the number is still growing!

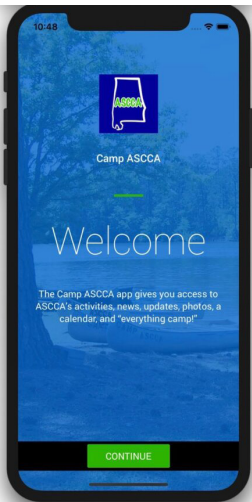

That night, we finished the fun-filled weekend with a performance by John Hollier! Hollier previously performed during our 2024 ASCCA Summer Concert Series. We were thrilled to welcome him back to share in our Christmas celebration and spread the magic of the holiday season.

We count ourselves lucky to have closed out the 2024 Camp ASCCA season in such a memorable way.

## **Jingle Jump Recap**

Our 10th annual Jingle Jump, held on December 14th, was a record-breaking success! With 35 teams and participants, we've raised an amazing \$73,000—and the total continues to grow! One by one, our brave jumpers plunged into the chilly Camp ASCCA pool, cheered on by an enthusiastic crowd from the sidelines. We are truly overwhelmed by the incredible support shown. Your generous contributions are making a real difference in the lives of people with disabilities. Special thanks go to the Alabama Elks Association, they raised \$22,908. We couldn't have done it without you—thank you for making this event unforgettable!

*The Camp ASCCA Mission is to help eligible individuals with disabilities and/or health impairments achieve equality, dignity, and maximum independence. This is to be accomplished through a safe and quality program of camping, therapeutic recreation, virtual programming, and education in a year-round barrier-free environment.*

# Thank you Ability Experience!

Camp ASCCA hosted members of Pi Kappa Phi from Mississippi State University and LaGrange College, as part of The Ability Experience. The Ability Experience is a nonprofit organization dedicated to supporting people with disabilities across the country. This year, 13 Pi Kappa Phi members participated in several important projects at Camp. They worked on replacing the floating lakefront dock, removing old cement blocks and replacing them with pressure-treated lumber. At the pickleball courts, they created an accessible path and built an inclusive Gaga Ball area. The Ability Experience provides a \$5,000 grant to fund these projects. Camp Director Matt Rickman shared his appreciation, saying, "It's overwhelming. I could close my eyes, spin around, and point to something—and odds are, Pi Kapp members helped build it."

## Frith Landing

Progress at Frith Landing is moving forward thanks to the hard work of our dedicated staff. We are excited to announce that our third cabin structure is now up, and work has officially begun! The Charron Family Cabin is nearing completion, with only a few final touches remaining. This new addition to Camp ASCCA is something we are incredibly excited about. We believe this development will provide families, both parents and children, the opportunity to begin experiencing the benefits of Camp ASCCA at an early age. Stay tuned for more updates!
