A Summer to Remember

The cabins are a little quieter, but our hearts are ten times fuller. Our 50th summer has come to a close, and it was everything we dreamed of and more.

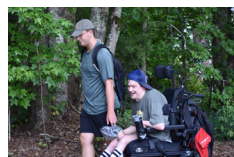

Our summers wouldn't be possible without our campers. Over the course of seven weeks, we welcomed hundreds of campers with arms wide open. Every week brought something new, whether it was new faces, new activities, new concerts, or new friendships. Our weeks were filled with endless joy, love, compassion, and gratitude. Without our campers, there is no Camp ASCCA.

This summer, we welcomed so many new members to our staff and welcomed back some familiar faces. Every day, our staff showed up ready to give their best to our campers. Whatever was thrown their way, they conquered it and always put their best foot forward. Camp ASCCA is only as good as the people in it, and this summer, it was filled with good people.

Though our summer was only seven short weeks, the memories we made will last a lifetime. The friendships formed have changed who we are, and the joy we experienced will stay with us long after we drive under the gate.

This summer reminded us that camp has never just been a place. It has been home, where every camper is seen, celebrated, and loved. Here's to 50 years of changing lives and to all the summers still to come.

With love,
Camp ASCCA

The People Make The Place

Judy Williams Scholarship

Each summer, Camp ASCCA recognizes one outstanding staff member with the Judy Williams Scholarship Award. Selected by our leadership team, this honor includes a \$500 scholarship and celebrates someone whose dedication, positivity, enthusiasm, and work ethic have made a meaningful impact throughout the summer. This summer, we are honored to share that this year's recipient is Dylan Hyland. Although this was Dylan's first summer, he quickly became an invaluable member of our team. His patience, kindness, and unwavering dedication to our campers were evident every day. Dylan did much more than fulfill the responsibilities of a counselor. He built relationships, encouraged campers to step out of their comfort zones, and helped create an environment where everyone felt welcomed, supported, and valued. Congratulations, Dylan, on this well-deserved honor!

Alabama Elks Day

On Saturday, July 18, Camp ASCCA proudly hosted our annual Alabama Elks Day!

Thanks to the incredible generosity of those in attendance, \$18,916 was donated to support Camp ASCCA capital projects, camper sponsorships, general support, and the upcoming 2026 Jingle Jump fundraiser. Elks also donated numerous items from our Amazon Wish List!

We are incredibly grateful to the Alabama Elks for their continued partnership and support of our campers, mission, and future!

The Camp ASCCA mission is to help eligible individuals with disabilities and/or health impairments achieve equality, dignity, and maximum independence. This is to be accomplished through a safe and quality program of camping, therapeutic recreation, virtual programming, and education in a year-round barrier-free environment.

50 Years Of Camp ASCCA

For the past 50 years, our doors have remained open, welcoming campers from across Alabama and beyond. In those five decades, friendships have been formed, confidence has been built, adventures have been shared, and countless memories have been made. Through it all, our commitment to inclusion has never wavered.

On August 1st, we celebrated this incredible milestone with our 50th anniversary celebration. More than 400 people gathered to honor Camp ASCCA's past, celebrate the present, and look ahead to the future.

Reaching 50 years is an extraordinary achievement, but it would not have been possible without the people who believed in this mission from the very beginning. We're forever grateful to our campers, families, staff, volunteers, donors, and supporters who have helped shape Camp ASCCA into what it is today. To the original staff of 1976, thank you for your vision, determination, and unwavering dedication. Because of your hard work, generations of campers have discovered confidence, independence, friendship, and a place they can truly call home.

Fifty years of inclusion. Fifty years of belonging. Fifty years of laughter, growth, unforgettable memories, and unconditional love. Here's to the last 50 years, and to the many more still to come.
